Meet Blue at bluebyadt.com

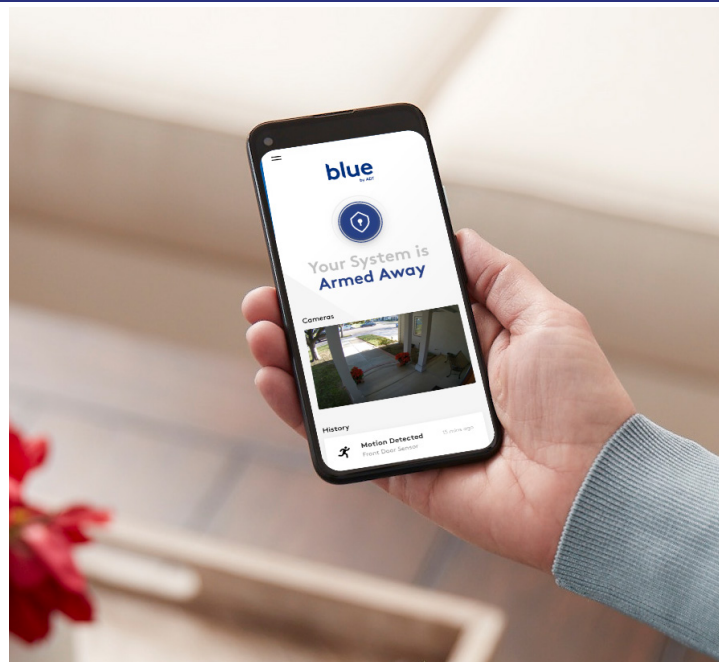

With Blue, it's all about you.

Stay in control of your safety and your home with ADT Blue, Do-It-Yourself Security that starts with you.

You decide which products you want or need.

- ✓ You install it where you want it.
- ✓ You control your system.
- ✓ You choose what songs to play.

Whether your home or away, you can keep an eye on your favorite people, pets, and possessions.

When you're away, take a safety sidekick on the road. SoSecure™, with free SOS response.

SoSecure brings the security of ADT right to your smartphone with free 24/7 professional monitoring and emergency response – just slide the SOS button or tap chat. SoSecure provides your location and information to 911 to help enable faster response. Additional safety features such as:

Voice Activation* | CrashDetection* | Roadside Assistance* | TrackMe*

*Available with a subscription.
