

CONTEST: AND THE WINNER IS.....

'Most Valuable Player'. 'Rookie of the Year'. 'Most Improved'. Even 'Participation' has an award (when you're little, at least). Platters, trophies, cups, plaques, medals, badges, ribbons—the awards take different forms, and some of them, beyond being prestigious and signifying great accomplishment, are extremely valuable. The FIFA World Cup (see page 23), for example, is made of 18 karat gold; it depicts two human figures holding up the Earth and is valued at \$20 million. It is currently held by France [the winner in 2018] but will be awarded to the winner of the 32-team tournament to be held in Qatar from November 20th - December 18th. [Fun fact: This is the last time the World Cup Tournament will consist of 32 teams. In 2026 there will be 48 teams.]

Can you match the award to the individual or team that gets to take it home? **Just choose the correct group name from the list below and fill it in on the line.**

Scan or copy this page and send your entry to editor@crestnetwork.com or fax it to **817.924.7116 on or before November 30th** for a chance to win a paint-by-number art set of H. Hargrove (this issue's cover artist) or another valuable prize.
